SUMMARY

Senior undergraduate receiving a bachelor's in Art History and a bachelor's of Journalism. I have two years experience in the professional newsroom, in various positions as a news reporter, infographic artist and layout designer, and four years experience in museum settings. My time in the newsroom as a reporter and designer has taught me to communicate and work well with others, problem-solve and plan ahead, as well as organize my professional work and schedule to accommodate multiple obligations and deadlines.
